(70%)

About me

I am a passionate Full Stack Developer with expertise in .NET Core MVC, specializing in both front-end and back-end development. My skill set includes HTML, CSS, Bootstrap for responsive UI design, and C# with SQL Server for robust backend development. I am committed to building scalable, efficient, and user-friendly applications while continuously expanding my technical knowledge. With a strong problem-solving mindset, I thrive in collaborative environments, ensuring high-quality software solutions that meet industry standards.

Experience

Full Stack Developer Intern

Hindsol Pvt Ltd (Sep 2024 – Present)

- Developed and optimized web applications using the .NET Core MVC framework, enhancing system performance.
- Designed and implemented responsive front-end interfaces with HTML, CSS, and Bootstrap, ensuring cross-device compatibility.
- Managed and optimized SQL Server databases, improving data storage and retrieval efficiency.
- Built key application features, including seller registration forms, login systems, and dashboard interfaces, enhancing user experience.
- Followed industry best practices to write clean, maintainable, and scalable code, ensuring long-term system reliability.

IT Specialist

IT Specialist

Hindsol Pvt. Ltd. (Sep 2024 – Dec 2024)

- Developed and maintained .NET Core MVC web applications, ensuring high performance and scalability.
- Designed responsive user interfaces using HTML, CSS, and Bootstrap, enhancing the overall user experience.
- Managed SQL Server databases, optimizing stored procedures and writing complex queries for efficient data processing.
- Diagnosed and resolved technical issues, significantly reducing system downtime and improving operational efficiency.
- Worked closely with cross-functional teams to gather requirements and deliver tailored IT solutions.
- Enforced best coding practices and implemented version control strategies, ensuring secure, maintainable, and scalable applications.

Education

Bachelor of Computer Applications (BCA)
J.S. University, Shikohabad, Firozabad | 2024
