Creative Web Designer & Developer with expertise in building responsive, user-friendly websites. Skilled in front-end and back-end development, adept at delivering visually appealing designs, and proficient in multiple programming languages to create seamless, engaging digital experiences.

Work Experience

Web Designer & Developer

Mar 2024 - Present

Modulation Digital | Delhi

As a Web Designer & Developer at Modulation Digital, I created innovative, user-centered web designs and implemented robust back-end functionality. I improved website performance, enhanced user engagement, and collaborated closely with teams to deliver high-quality, responsive websites.
