## PROFESSIONAL EXPERIENCE

---

**Alphech Global, Full Stack Developer** *🔗* Jul 2023 – present | Noida, UP

- **Developed** and launched the Sugamya Bharat Portal for the Government of India using **React.js**, Material-UI, HTML, and CSS3, significantly reducing user-reported bugs.
  - **Integrated** the Fetch API for real-time data retrieval, leading to improved communication efficiency.
  - Optimized the application for cross-browser compatibility, enhancing page load performance and ensuring a seamless experience across a wide range of devices.
- **Implemented the Bhashini Language API**, supporting **22 languages** in the backend using **Node.js** and **Express.js**, enabling seamless **multilingual functionality**.
  - Engineered secure and scalable RESTful APIs with **comprehensive testing**, ensuring smooth integration with frontend services and minimizing integration issues.
- **Developed the Luxor Pen web application** using **Next.js**, incorporating advanced **GSAP animations** to enhance **user engagement**. *🔗*
  - **Converted Figma designs** into fully **responsive user interfaces** using **HTML5** and **CSS3**, ensuring a seamless experience across all devices and screen sizes.
- **Developed the CIPLA Nicotex application** using **React Native**, delivering a smooth and responsive mobile experience; the app has garnered **50K+ downloads on the Play Store**. *🔗*
- **Created robust APIs** using **Nest.js**, **TypeORM**, and **PostgreSQL**, ensuring efficient backend operations and seamless data management. Implemented **input sanitization techniques** to protect against common web vulnerabilities and ensure secure data handling.

**Forcebolt Technologies, Full Stack Developer Trainee** *🔗* May 2022 – Jul 2022 | Mohali, Punjab

- **Contributed to scalable, high-performance MERN stack applications**, enhancing overall system reliability and performance.
- **Specialized in debugging, testing**, and **building responsive UI components** with **React.js**, leading to a more stable and user-friendly interface.

## EDUCATION

---

**Subharti Institute of Technology & Engineering,** 2018 – 2022  
*B.Tech, Computer Science*
