EDUCATION

Bachelor of Computer Application , JC BOSE YMCA ,Faridabad	2020-24
Intermediate, Sarvodaya Bal Vidyalaya, Delhi	2019-20
High School, Sarvodaya Bal Vidyalaya, Delhi	2017-18

TRAINING EXPERIENCE

Software Engineering Intern Codehop Interfusion September 2024 – Present

- Collaborating with the development team on various projects.
- Working on .NET.
- Implementing and testing software solutions to meet client requirements.
- Assisting in debugging and optimizing code to improve performance and reliability.
- Learning new development practices and methodologies in a fast-paced environment.

PROJECTS

Student Portal - MVC CRUD Application (Code-First Approach)

AUG 2024

- Developed a full-stack MVC CRUD application for managing student details using ASP.NET MVC, C#, and SQL Server.
- Implemented user-friendly interfaces for adding, viewing, updating, and deleting student records, ensuring seamless data management and user interaction.
- Demonstrated proficiency in MVC architecture, database design, Entity Framework for data persistence, and frontend development.

Employee Management System - .NET Core MVC CRUD Application with Admin Interface

NOV 2024

- Developed a full-stack MVC CRUD application for managing employee details using .NET Core MVC, C#, and SQL Server.
- Integrated an admin interface to enhance interactivity and streamline user access, enabling efficient management of employees, designations, departments, banks, countries, towns/cities, system codes, system code details, and leaves.
- Designed a user-friendly interface for seamless CRUD operations, optimizing data management and user engagement.
- Demonstrated strong skills in MVC architecture, database design, Entity Framework Core for data persistence, and frontend development to deliver a comprehensive and efficient system.

SKILLS

Technical: C#, Structured Query Language

Core Fundamental: Object Oriented Programming ,DBMS

Front-End Technologies: HTML, CSS, JavaScript.

Back-End Technologies: C#.

Familiar With: C/C++, Python , ASP.NET core

Professional: Effective Learning Skills, Adaptability

DECLARATION

I hereby declare that all the above-mentioned information is true and correct to the best of my knowledge.
