EDUCATION

Chaudhary Charan Singh University, Meerut

Bachelors B.C.A.

Percentage: 68%%

Meerut

August 2022 - August 2025

EXPERIENCE

Good Tech Mind | ReactJs developer

Kolkata, West Bengal | Jan 2023 - July 23

Work as a Frontend Intern.

- Make UI for 5+ apps including HRMS(human resource management s), Fitness Apps, Crypto app with Binance api implementation, etc.

Good Tech Mind

SKILLS

Programming Languages: HTML, CSS, Javascript, C
Libraries/Frameworks: ReactJs, Nodejs, ExpressJs, Mongoose
Tools / Platforms: REDUX, React Router
Databases: MongoDB

PROJECTS / OPEN-SOURCE

HRMS | [Link](#)

React, Redux, Nodejs, Expressjs, CSS

Designed and developed an all-in-one HRMS platform for efficient employee management, attendance tracking, leave management, and payroll processing.

Crypto App | [Link](#)

React, Redux, Nodejs, Expressjs, Mongoose

Developed a user-friendly crypto app with essential functionalities, including data fetching from APIs to display real-time cryptocurrency prices. Implemented secure user authentication with login and signup features to ensure data privacy.

Job Search App

React, Redux, Nodejs, Expressjs, Mongoose

Created a straightforward job search app enabling users to find relevant job listings from various sources. Implemented data fetching from APIs to display up-to-date job postings. The app offers a smooth user experience with secure login and signup features for personalized job searches. Streamlined and efficient, the app empowers users in their job-seeking journey

Fitness Website | [Link](#)

React, React Router, CSS

Designed and developed an intuitive fitness website that provides users with valuable health and fitness resources. Implemented data fetching from APIs to offer workout routines, nutrition tips, and motivational content. The website features user registration and login functionality for personalized fitness tracking and goal setting. This user-friendly platform encourages a healthier lifestyle by delivering a seamless and engaging fitness experience
