with Aggregate Percentage **76%**

**Secondary School, Govt. Sarvoday Bal Vidhyalaya**
July 2014 – May 2016 | New Delhi, India
with Aggregate of **8.0 CGPA**

## PROJECTS

**Studynotion** 🔗
August 2023 – September 2023
**StudyNotion** is a fully functional ed-tech platform that enables users to create, consume, and rate educational content. A seamless and interactive learning experience for students, making education more accessible and engaging. A platform for instructors to showcase their expertise and connect with learners across the globe.
- ***Tech Stack Used*** *:- MERN Stack, Rest Api's, Bcrypt, Cloudinary, Tailwind, Razorpay-api, Jwt-auth.*

**Apni-Meet** 🔗
March 2023 – June 2023
The video conference app project, **APNI-MEET**, is an innovative and advanced solution that aims to transform virtual communication experiences. The app is designed to provide a seamless and user-friendly platform for individuals, teams, and organizations to connect, collaborate, and conduct meetings remotely.
- ***Tech Stack Used*** *:- Firebase, React.js, Typescript, Redux, Elastic-Ui, Zegocloud.*

**Movie Ratting App**
August 2022 – September 2022
This project sought to show the ratings of movie on android based App. I was the part of coding team where I had worked on Android Studio with java language. Initially the UI part of project were designed easily. I got challenges in backend work like as API connections and lombok plugin.
