PROJECTS

Rapid Keys 🔗 | [React.js,HTML,CSS & JavaScript](#)

07 2023

- Developed an interactive and user-friendly Typing Speed Test application using modern web technologies, including React.js and the Context API. The application provides users with an engaging platform to assess and improve their typing proficiency.
- **Key points:** Responsive User Interface, Real-time Typing Analysis, Context API for State Management, Customizable Tests, Results History Tracking, Interactive User Experience .

MeShop E-com App 🔗 | [HTML,CSS & JavaScript](#)

05 2023

- Developed a shopping web application with authentication, cart and checkout feature, users can search and filter (API fetched) products, add them to the cart and then also can make dummy payment using Razorpay test mode.
- **Key points:** Api Integration, State Management, Error handling and Validation, Shopping cart and Checkout .

Weather App 🔗 | [HTML,CSS & JavaScript](#)

04 2023

- Designed and developed a dynamic Weather Forecast Web Application using HTML, CSS, and JavaScript, providing users with real-time weather updates and forecasts. The application offers a visually appealing and intuitive interface, enabling users to search for weather information in different locations and plan their activities accordingly.

EXPERIENCE

Government Exam Preparation

07/2019 – 08/2022

- Successfully cleared AFCAT (Air Force Common Admission Test) four times, showcasing dedication and excellence in competitive examinations.
- Advanced to the mains stage of prestigious exams:
 - * SSC CGL ,IBPS,SSC CPO.
- **Key points:**
 - * Acquired strong problem-solving skills through extensive exam preparation, a valuable asset for debugging and troubleshooting in web development.
 - * Demonstrated resilience and adaptability in high-pressure exam environments, traits that translate well to meeting project deadlines in web development.

Acciojob

09/2022 – present

- I completed comprehensive full-stack web development training with Acciojob, gaining expertise in core Java, data structures and algorithms (DSA), SQL, HTML CSS, JavaScript, and ReactJS. This training equipped me with the skills needed to excel as a web developer.

SKILLS

Programming Skills: DSA(Java),JavaScript

Web Developement Skills: HTML, CSS, JavaScript

Libraries/Frameworks: React.js, Spring Boot

Database: SQL

Core Skills: Object-Oriented-Programming, Data-Structure and Algorithms(JAVA),DBMS
