SUMMARY

Creative and detail-oriented UI/UX Developer with a strong foundation in user-centered design principles and front-end development. Well-versed in HTML, CSS, JavaScript, and modern frameworks like React to translate design into functional user experiences. Passionate about solving user problems through intuitive design and continuous learning. Eager to contribute fresh ideas and collaborate in dynamic teams to create seamless and impactful digital products.

EDUCATION

B.Tech. in Computer Science & Engineering | Dr. A.P.J. Abdul Kalam Technical University | 2020 – 2022

- **Modules:** Data Structures, Algorithms, Database Systems, Web Technologies
- **CGPA:** 7.7

PROJECT EXPERIENCE

FreelanceHub | React.Js,

Online marketplace for freelance services

- Engineered a full-stack solution serving 10+ service categories with 100+ concurrent users
- Implemented RESTful APIs with Node.js for user authentication and data management
- Optimized React components reducing load time by 25% through code splitting

Connect 4 Game | React.Js

Interactive multiplayer strategy game

- Developed game logic using React state management for real-time updates
- Implemented responsive design adapting to mobile, tablet and desktop views
- Utilized React hooks for efficient component lifecycle management

E-commerce Book Website | React.Js

Online bookstore with comprehensive catalog

- Built dynamic product pages with React components for fast content rendering
- Integrated search and filtering functionality for improved user experience
- Implemented cart functionality with local storage for persistent data

TECHNICAL EXPERIENCE

- **Programming Languages:** HTML, CSS, JavaScript, SQL, React.JS
- **Developer Tools:** Github, VS Code, MySQL
- **Skills:** Frontend

CERTIFICATIONS & ACHIEVEMENTS

- **Web Development Certification:** Proficient in Web development.
- **JavaScript Workshop Certification:** Completed a one-day workshop from Geekster.
- **Led College Graphics Design Team:** Managed multiple design projects and events, enhancing team creativity and visibility.
