PROJECTS

Human Resource Management (HRM)-Employee Onboarding Tool

- Developed an Employee Onboarding Tool for HR and Admin teams to streamline the hiring and management process.
- This tool allows HR teams to efficiently onboard new employees, manage roles, and handle authentication securely.
- Skills:** Next.js, Tailwind CSS, Redux, Express.js, Node.js, MongoDB
- live link <https://admin.talentcarriage.net/login>
- live link <https://partner.talentcarriage.net/login>

Book Depot

- Developed a web app for efficient book and customer data management.
- Implemented targeted book promotions through email and WhatsApp, demonstrating my proficiency in creating streamlined solutions for data organization and customer engagement.
- Skills:** React.js, Bootstrap, Redux, Express.js, Node.js, MongoDB
- live link <http://179.61.188.36:8000/>

KrishiYukta - Agricultural Damage Investigation Tool

- This project is designed for farmers and authorities to investigate and validate crop damage.
- It provides a system to register damaged crops and get them evaluated for possible compensation or assistance.
- Skills:** React.js, Bootstrap, Redux
- live link <https://web.krishiyukta.com/>

CRM - Cloud Rental Manager

- This Cloud Rental Management System is designed for managing property rentals, tenant applications, payments, and staff roles efficiently.
- It provides a centralized platform where vendors (landlords) can list properties, tenants can apply for rentals, and payments can be processed securely.
- The admin and super admin oversee operations, while staff help manage the properties.
- Skills:** React.js, Bootstrap, Redux

EXPERIENCE

Software Developer

Inficare Software Technologies

10 April 2023 – 11 August 2023

Software Developer

PerfectCode Software Technologies LLP

29 August 2023 – 31 March 2025

SKILLS

Programming Languages

HTML CSS JavaScript ReactJS
NextJS Bootstrap NodeJS ExpressJS
MongoDB Redux

Additional Skills

Project Estimation Code Reviews
User Requirements Analysis

EDUCATION

BTech in Computer Science | 8.79 CGPA

Kurukshetra University

July 2019 – June 2023
