PROJECTS

Human Resource Management (HRM)-Employee On-boarding Tool

- Developed an Employee Onboarding Tool for HR and Admin teams to streamline the hiring and management process.
- This tool allows HR teams to efficiently onboard new employees, manage roles, and handle authentication securely.
- **Skills**: Next.js, Tailwind CSS, Redux, Express.js, Node.js, MongoDB
- live link https://admin.talentcarriage.net/login
- live link https://partner.talentcarriage.net/login

Book Depot

- Developed a web app for efficient book and customer data management.
- Implement sented targeted book promotions through email and WhatsApp, demonstrating my proficiency y in creating streamlined solutions for data organization and customer engagement.
- **Skills**: React.js, Bootstap, Redux, Express.js, Node.js, MongoDB
- live link http://179.61.188.36:8000/

KrishiYukta - Agricultural Damage Investigation Tool

- This project is designed for farmers and authorities to investigate and validate crop damage.
- It provides a system to register damaged crops and get them evaluated for possible compensation or assistance..
- **Skills**: React.js, Bootstrap, Redux
- live link https://web.krisiyukta.com/

CRM - Cloud Rental Manager

- This Cloud Rental Management System is designed for managing property rentals, tenant applications, payments, and staff roles efficiently.
- It provides a centralized platform where vendors (landlords) can list properties, tenants can apply for rentals, and payments can be processed securely.
- The admin and super admin oversee operations, while staff help manage the properties.
- **Skills**: React.js, Bootstrap, Redux

EXPERIENCE

Software Developer
Inficare Software Technologies

📅 10 April 2023 – 11 Augest 2023

Software Developer
PerfectKode Software Technologies LLP

📅 31 Augest 2023 – Ongoing

SKILLS

Programming Languages

HTML   CSS   JavaScript   ReactJS
NextJS   Bootstrap   NodeJS   ExpressJS
MongoDB   Redux

Additional Skills

Project Estimation   Code Reviews
User Requirements Analysis

EDUCATION

BTech in Computer Science | 8.79 CGPA
Kurukshetra University

📅 July 2019 – June 2023
