

# ANUSUYA SHARMA

## FRONT END DEVELOPER

### PROFILE

Passionate front end developer dedicated to creating exceptional user experiences through innovative web design and development. Committed to delivering high-quality work with integrity and a strong work ethics.

### PROJECTS

#### OPEN WEATHER API

- Developed a weather application using Open Weather API that displays current weather conditions for any location worldwide.
- Designed with a responsive UI, the app also features dynamic weather animations and a clean, user-friendly interface.

#### FOOD FOR MOOD

- A website that helps the users to choose from a number of pre-defined menu, so that they no more have to struggle for choosing food.
- Deployed on Netlify, it is a meal suggestion website using JS that provides customized food recommendations based on the user's mood.

#### BUMBLE DOG

- A Dating website for Dogs.
- Deployed on Netlify, this app has a clean, modern UI and showcases my skills in front-end development.
