## Objective

I want to be in an organization, where I can contribute, learn and build my caliber. Where I can put my full potential and play an important role in the development of the organization.

## Experience

### **Talent Acquisition Specialist - IT | Pinnacle HR Tech Solution**

**Nov 2022 - Present**

- Sourcing for the right candidate in the job portals (LinkedIn, Naukri).
- Oversaw job posting and requirements and worked collaboratively as liaison for account managers, candidates, preferred clients and HR.
- Maintain contact network for qualified candidates recognition and sourcing.
- Present the monthly report to the CEO regarding the onboarding and pipeline of candidates.

### **Technical Recruiter | GV Cloud Secure**

**Jan 2021 - Oct 2022**

- Complete knowledge of Full Life-Cycle recruiting including screening and interviewing.
- Getting requirements, Reading the job description and understanding the client needs
- Sourcing for the right candidate in the job portals (LinkedIn, Careerbuilder, Dice).
- Approaching the candidate for a telephonic interview to check their skills and explain the job description for what we are searching for.
- To get an eligible or apt candidate.
- Then formatting the resume to submit it to the Account Manager.
- Very good in recruiting positions like Java, .Net, Python, Full Stack Developer, Testing etc.

## Skills & Abilities

- Good interpersonal and communication skills
- Poised under pressure
- Strong team builder / player but still adhere to initiatives
