OBJECTIVE

Dedicated and detail-oriented front-end developer with 4.9 years of experience in creating dynamic, user-friendly websites and web applications. Skilled in HTML, CSS, JavaScript and modern frontend frameworks like Bootstrap. Passionate about writing clean, maintainable code to deliver innovative, performance-driven web solutions.

WORK EXPERIENCE

WNS Global Services Private Limited

2022 - PRESENT

Lead Associate - Ops

- **Web Development:** Developed interactive websites and web applications using HTML5, CSS3, JavaScript, and jQuery, with a focus on mobile-first, responsive designs.
- **UI/UX Improvements:** Worked with the design team to create pixel-perfect, user-friendly interfaces, optimizing layout and user flows for better usability.
- **Prototyping & Wireframing:** Created wireframes, prototypes, and pixel-perfect designs using Photoshop and Adobe XD.
- **Bug Fixes & Troubleshooting:** Identified and resolved frontend issues, including cross-browser compatibility and responsive design inconsistencies, leading to improved user satisfaction.
- **Cross-functional Collaboration:** Worked closely with developers, product managers, and stakeholders to bridge the gap between design and development.
- **Client Communication:** Maintained direct communication with clients to understand their project requirements, providing technical expertise and updates on development progress.
- **UI Design for Power Apps/ Power BI Dashboard Design:** Worked closely with developers to design user-friendly interfaces for Power Apps applications and design of interactive Power BI dashboards and reports

Uniworld Studios Private Limited

2019 - 2022

Frontend Developer

- Assisted in the development of responsive websites using HTML5, CSS, Bootstrap and JavaScript.
- Created interactive forms, modals, and navigation menus to enhance website interactivity.
- Assisted with optimizing web pages for mobile and cross-browser compatibility.
- Supported in debugging and troubleshooting frontend issues, ensuring a bug-free user experience.
- Worked in collaboration with the backend team to ensure seamless integration between frontend and API endpoints.
