SUMMARY

Highly skilled and dedicated Java Backend Developer with a track record of designing, developing, and optimizing robust and scalable backend systems. I bring expertise in Java programming, Spring Framework, Spring Boot, and database management using Hibernate and Microservices. I am passionate about writing clean and efficient code.

EXPERIENCE

Project Engineer

Wipro   **April 2022 - Present, Greator Noida**

· 1. Received hands-on training in Java Spring, Spring Boot, and Hibernate.
· 2. Emphasizing API development. Created efficient and scalable APIs, and enhanced my skills Java frameworks
· 3. Worked on oil and gas maintenance project, and developed alert procedures.
· 4 . Proficient in interpreting technical documents, and collaborating with the team.
· 5. Executed successful project implementation, ensuring streamlined operations in the industry.

PROJECTS

Blog Appication

May 2023 - August 2023
·1.Developed a robust and feature-rich Blog Application using Spring Boot and Maven as development tool.
·2. Designed and implemented RESTful APIs to enable users to create, manage, and interact with blog.
·3. Used Spring MVC Layered architecture.
·4. Key features of the project include:
· 5.Post Management, Category Management, User, Comment System
·6. Security with JWT, Role-Based Access Control, Error Handling and Validation,
· 7.Unit and Integration Testing using Postman

Contact Manager

October 2022 - December 2022
·1. Developed a Contact Manager using Spring Boot with RESTful APIs for user login.
· 2. CRUD operations on contacts.
· 3. Thymeleaf for the front end.
· 4. Employed Spring Security and Spring MVC for a secure, user, and friendly interface.

EDUCATION

Btech

Minor in Mechanical · KIET Group Of Institutions · Ghaziabad,India · 2018 · 7.36

CERTIFICATIONS

Master Microservices With Spring Boot And Spring Cloud

UDEMY · 2023
· Proficiency in designing and implementing microservices architecture using Spring Boot and Spring Cloud

Master Spring Boot 3 and Spring Framework With JAVA

UDEMY · 2022
· Undergone training and acquired the necessary skills in Spring Boot 3 and the Spring Framework.

SKILLS

Languages: Java Html, CSS, Javascript, SQL

Frameworks and Libraries: Spring Framework (Spring Boot, Spring MVC, Spring Security, Spring ORM,Spring Cloud), Hibernate, Maven, Microservices

Problem Solving (Coding)
Data Structure And Algorithm
