## ABOUT ME

As a dedicated and skilled full stack developer with 2 years of experience, I have a proven track record of designing and implementing innovative web applications. Proficient in both front-end and back-end technologies, I excel in creating responsive and user-friendly interfaces while ensuring robust functionality and performance. With a strong foundation in languages such as JavaScript, HTML, CSS, and experience with frameworks like React and Node.js, I have successfully delivered projects that meet client requirements and exceed expectations. My passion for continuous learning and problem-solving drives me to stay updated with the latest trends in web development, making me a valuable asset to any team.
