Summary

Aspiring Java Developer seeking an entry-level position to leverage my strong foundation in Java programming and problem-solving skills to contribute to the success of a dynamic software development team. Eager to learn and adapt in a fast-paced and collaborative environment to deliver innovative solutions.

Skills

Core Java:

Class · Object · Data types · Variables · Constants · Literals · Methods · Operators · Constructors · Control flow statements · Arrays · Loops · Collection frameworks · Access Modifiers · Static keyword · Super keyword · final keyword · this keyword · Inner class · Packages · Exception handling · File handling · Standard libraries · Garbage collection · input-output stream · String · String Builder · String Buffer

OOPs Concepts & IDE; Inheritance · Polymorphism · Encapsulation · Abstraction · Eclipse

Data Structure:

Linear Search · Binary Search · Interpolation Search · Bubble Sort · Insertion Sort · Selection Sort · Merge Sort · Shell Sort · Quick Sort · Array List · Linked List · Stack · Queue

Few Concepts; HTML · CSS · JDBC · Multi threading · Networking · MySQL · Git Github · Problem-solving skills · Communication skills

Education

Kalinga University	Raipur, India
Bachelor of Computer Application	07/2016 - 08/2019
Kalinga University	Raipur, India
Master of Computer Application	07/2019 - 08/2021
Vidya Inter College	Azamgarh India
Secondary School	07/2013 - 05/2014

Projects

Bank Account Management & Calculator Application

https://github.com/ChandanGond/Java_dashboard_Project

06/2023 - 07/2023

This Project is made in Java Programming language using Eclipse IDE, There are two Projects first Bank Account Management and second Calculator Application, Please do visit my Github and check out my Projects.

Career Break

Year Gap

Prayagraj U.P

Government Exam Prepration

11/2021 - 05/2023

During this preparation period, I engaged in rigorous study and intensive Training to enhance my knowledge and expertise in areas relevant to the SSC CGL Examination and the public sector. I embraced the opportunity to refine my problem-solving, critical thinking, and time-management skills. Additionally, I actively participated in various mock exams and discussion forums, collaborating with like-minded individuals to exchange insights and strategies.
