

Chayan Mulewa

Software Developer | Full Stack Developer | MERN Stack Developer

+91 7999698781
chayanmulewa@gmail.com

Highly motivated and determined to become a software developer in IT industry where I can learn new skills, expand my knowledge, can make the best of my potential and contribute to the growth of the organization.

PROJECTS

Chess — Desktop / Laptop / Pc

Chess is a dynamic multiplayer platform offering online Chess play.

- **Social Interaction** : Facilitates social interaction through friend connections, request exchanges, and user searches, fostering a sense of community engagement within the platform.
- **AI Integration** : Players can play solitary games and develop their skills by experimenting with the "**Stockfish Chess Engine**".
- **Elo Rating System** : Offers a competitive environment by keeping track of user performance and game history.
- **Account Security** : Encrypting passwords and creating secure accounts with profile photographs protects user information.
- Download Link : <https://tinyurl.com/5n8fnjkt>

HR Management System — Desktop / Laptop / Pc

HR Management System is a dynamic platform offering online designation and employee management for administrators.

- **HR Management System** : The System enables the administrator to oversee staff and manage titles and auto-code creation for designations.
- **Dynamic Designation Updates** : The ability for the administrator to dynamically adjust designation titles without altering the auto produced codes has been included.
- **Employee Information Management** : Administrators can update employee data such as name, designation, phone number, Aadhar and PAN numbers, and pay, with the option to amend designation codes.
- **Efficient Printing** : Enabled admin to print a comprehensive list of employees with full details, enhancing ease of information retrieval and management.

EXPERIENCE

Jobsense, Ujjain (M.P) — Summer Intern

June 2022 – July 2022

- Interned for One-Month in JAVA AND ReactJS at **Jobsense**, a reputed Training & Placement Institute.
- Exhibited exceptional performance during the internship, obtaining hands-on exposure with Java and J2EE (Servlet, JSP etc.) technologies.

Universal Informatics, Ujjain (M.P) — Summer Intern

May 2020 - June 2020

- Interned for One-Month at **Universal Informatics**, where I refined my web design abilities and gained a lot of experience with HTML, CSS, JavaScript.
- Recognized by Universal IT Solution for exceptional achievement during the internship. Recognized for outstanding performance in the field of IT solutions.
