EXPERIENCE

Salesforce Developer Virtual Internship

Smart Internz

📅 12/2023 01/2024

- Duration: 8 week
- Attended Experimental Learning Program containing hands-on Bootcamps
- Completed Self Learning Courses
- Participated in Super Set Completion
- Engaged in Interview Preparation Session

Indian Railway Industrial Training

DRM Office

📅 09/2019 10/2019 📍 Katihar

- Duration: 4 week
- Completed Industrial Training In Electronics & Telecommunications At The DRM Divisional Railway Manager) Office
- Acquired Practical experience in Specific Tasks Or Technologies, e.g., Signal Systems, Communication Networks.
- Enhancing Skills In Railway Communication & Electronics Infrastructure

B.TECH PROJECT

Anti Sleep Alarm System With Glass For Drivers

- Drowsiness Detection: Smart glasses monitor eye and head movements to detect driver fatigue and prevent accidents Key
- Components: Smart glasses combined with IR sensors to monitor eye movements, using an Arduino Uno for programming. Instant
- Alerts: Provides audio, vibration, and visual signals to wake up the driver when drowsiness is detected

EDUCATION

Bachelor of Technology

Bihar Engineering University

📅 01/2021 01/2024 📍 Araria

- Branch   Electronics & Communication Engineering
- 7.71 CGPA

Diploma

State Board Of Tehnical Eduation

📅 08/2016 12/2020 📍 Katihar

- Branch- Electronics Engineering
- 7.88 CGPA

Matriculation

Central Board Of Secoundary Education

📅 01/2016 12/2016 📍 Purnea

- 9 CGPA

ABOUT ME

Electronics Engineer Specializing In System Design, Telecommunications, & Signal processing, With Strong Skills In Hardware/Software Integration & Web Development.

SKILLS

Web Development	JavaScript

HTML	CSS	Python	PHP

React	Bootstrap	Ms office

Electronics System Design

CERTIFICATION

Web Development
By:- Internshala

Programing With Python
By:- Internshala

Overview Of Geo-processing With Python
By:- ISRO (IIRS), Dehradun

JavaScript For Beginners
By:- Udemy

5 Day Workshop on " Signal Processing For IoT Based Communication
By:- Sponsered by BCST Patna

IT Essential
By:- CISCO Network Accademy

Cybersecurity Essential
By:- CISCO Network Accademy
