

DUSHYANT KUMAR

FRONTEND REACT JS DEVELOPER

PROFILE

- Currently contributing to Syzitisi Software Solutions LLP in Pune, India since 10 June 2023.
- Holds a B-Tech in Computer Science & Engineering and has been completed in 6 July 2022.
- MERN Stack Developer training, at Ducat showcasing a commit to continuous learning and development.
- I developed Movix, an OTT React web platform for trailers and trending content, and concurrently worked on a book store project, focusing on creating a seamless e-commerce experience.
- Solid foundation in computer science principles and practical application of full-stack development skills in real-world projects.

WORK EXPERIENCE

Syzitisi Software Solutions LLP.

2023- PRESENT

React JS Developer

- Developing User Interfaces: Create and maintain responsive and intuitive user interfaces using React.
- State Management: Implement and manage application state with tools like Redux or Context API.
- Performance Optimization: Optimize front-end performance and troubleshoot issues to ensure a smooth user experience.

DUCAT IT Training School Noida

6 Months

MERN Stack Developer

- Comprehensive Curriculum: Covers MongoDB, Express.js, React.js, and Node.js, providing a complete understanding of the MERN stack for full-stack web development.
- Project-Based Learning: Focuses on hands-on projects to build real-world applications, integrating front-end and back-end technologies effectively.
- Expert Guidance and Support: Provided by seasoned instructors offering personalized mentorship in the training.

PROJECTS & LINKS

- [Movix \(OTT React Web\)](#) - Built an OTT platform to watch trailers and explore trending content with React, React-Redux, and Axios.
- [Book-Store \(MERN Stack\)](#) - Designed a book store platform featuring cart and order history with React, Redux-Toolkit, and Tailwind CSS.
- [Eshoppe \(E-Commerce Web in React\)](#) - Developed a responsive eCommerce site using React, CSS, and Tailwind CSS.
- [Text-Converter \(React App\)](#) - Created a text manipulation app with React and Bootstrap.
