WORK EXPERIENCE (2.5 Yr ++)

DeopersIndia, Noida- Frontend Developer

Dec 2022 – PRESENT

Key contributions:

- Developed a responsive web application for **IDFC First Bank** using React.js, Tailwind CSS, and Bootstrap, ensuring mobile-first and cross-browser compatibility.
- Built reusable UI components to improve development efficiency and maintain design consistency.
- Optimized performance using techniques like **lazy loading**, caching, and **reducing API** calls.
- Enhanced error handling using advanced React features like **error boundarie**s and **hooks**

PROJECTS

CCLP (Partnered with IDFC Bank)- [First Rewards](#)

July 2023 – PRESENT

Project Contributions:

- **Developed two sub-projects**: an **Admin Panel** for internal management and an **End-User** Application for customer interactions.
- Designed and implemented scalable UI components for a smooth and consistent user experience.
- Enhanced security by implementing **AES encryption** for sensitive data storage and transmission.

- Developed a comprehensive reporting section to track and analyze claiming, journey, etc
- Conducted **load testing**, ensuring the End-User Application can handle up to **5,000** concurrent users seamlessly

PDF Generation

July 2023 – PRESENT

Project Contributions:

- **Designed and implemented** scalable **UI components** for a smooth and consistent user experience.
- Integrated **Jodit Editor** for handling **PDF content** efficiently.
- Implemented **key-value pairs** to manage **PDF content dynamically**.
- **Added login/logout authentication** to ensure **secure access control**.

Achievement's

Recognized with the **Best Employer Award** for creating an inclusive, innovative, and growth-oriented work environment
