Email Id: gsharmafp@gmail.com

Permanent Address: [VPO Village Fazalwas Pachgaon Gurgaon Haryana](#)

Objective

To work with an organization where can learn new skills and increase my abilities for the organizational goals as well as myself.

Educational Qualification

- Bachelor's degree in **Computer Science with Artificial Intelligence specialization** from Gurugram University (2019-2023)
- Passed out 12th from RPS Rewari
- Passed out 10th from RPS Rewari

Work Experience

Software Engineer Intern

Bharti Airtel Ltd.

Duration: February 15, 2023, to September 17, 2023

Key Achievements and Responsibilities

- Collaborated with the team to enhance skills through hands-on learning and project work.
- Designed and developed a user interface (UI) from the ground up, specifically for data analysis purposes, which greatly contributed to the organization's feasibility assessments.
- Implemented a crucial feature that allowed users to input an ID to retrieve corresponding data or upload CSV files with multiple IDs for efficient bulk data retrieval.
- Ensured clarity and user-friendliness in the UI design, with results presented in a downloadable CSV format and a tabular layout.
- Utilized a range of technologies, including React.js for the frontend, and managed the presentation layer with HTML and CSS, while JavaScript facilitated dynamic interactions.
- Currently engaged in Spring Boot projects, actively involved in the development of REST APIs, further expanding my skill set in backend development.

Certification Courses

Full Stack Developer Specialization certification course which is provided by Intern Shala Frontend and Backend Certificate by Intern Shala.

Infoys Spring **Full Stack Web Developer Certification Course** by Infosys

Technical Projects

- **Food Order Web page:** In this project I have used main HTML CSS JS language and I have made this project by looking at my university canteen.
- **Complain Box:** I have made this project for campus students who can easily do their Complain to the HOD securely.
