EDUCATION

Bachelor of Engineering:Computer Science

Jain college of Engineering and Research Belgaum Karnataka

CGPA:7.56

2023

Pre - University

The Maratha Mandal PU College Belgaum Karnataka

Percentage:56

2019

SSLC

Kendriya Vidyalaya No.2 Cantonment Belgaum Karnataka

CGPA:7.0

2017

TECHNICAL SKILLS

- **JAVA:** Data Types, Arrays, Strings, Object Orientation Programming (OOP), Collections, Interface, and Exception Handling.
- **SQL:** Data Types, Constrains, SQL Commands (DDL,DML,DQL), Crud Operations, Operators, Subqueries,Clauses (where, group by, having, order by), Joins.
- **Data Structures and Algorithm:** Time Complexity, Bit Manipulation, Arrays, Strings, Linked List, Doubly Linked List, Circular Linked List, Stack, Queue, Tree.
- **HTML and CSS:** Html Elements (block, inline), Table and Form creation, Lists in html, Types of CSS, Selectors (Basic Advanced), Box Modeling in CSS.
- **JavaScript**
- **JDBC**
- **C**
- **Frameworks:** Bootstrap.
- **Developer Tools:** Tools: Eclipse, VS Code, Jupyter Notebook, Android Studio, MySQL Workbench.

PROJECTS

Harvesting of Crops using Smart Technique | Machine learning

This project aims to help the farmers in improving their crops both quality and quantity. this project is based on Machine Learning Domain. So, the front-end technologies are Html, CSS, and JavaScript, for Back-end we used Java and framework as Spring Boot to handle HTTP requests and manages the server, for Machine learning integration we used pre-trained model and integrate it into Java application, Eclipse IDE is used for java development

Online Attendance Management System

This project basically generates daily attendance of students that's help the faculty to track student, using Java for the server-side, SQL for handling data, and front-end technologies like HTML, CSS, JavaScript. Implemented user authentication, real-time attendance tracking, and admin features.

CERTIFICATIONS

- Java Full Stack Web Development Certificate in (TAP ACADEMY Bangalore)
- Internship: Zeel Code Lab (Machine Learning Domain)
- Bootcamp on Web Development with Certificate

STRENGTHS

- | | | |
|----------------------|-----------------|--------------------------|
| · Good Verbal | · Quick Learner | · Dedication Patience |
| Communication skills | · Smart Worker | · Problem Solving Skills |

EXTRACURRICULAR

- Solving HackerRank problem.
- Participation in Public Speaking or Debate clubs
