QUALITY ANALYST

CAREER OBJECTIVE

To obtain a challenging position as a QA automation engineer, where I can leverage my skills and experience to develop and execute automation tests, contribute to the success of the software development process, and improve the quality of the software product.

PROFESSIONAL SUMMARY

- ❖ A highly motivated and detail-oriented software tester with **1 year** of experience in **manual and automated testing**.
- ❖ Proficient in creating and executing test cases, identifying and reporting bugs, and performing regression testing as per the user requirement.
- ❖ Skilled in designing and implementing test automation frameworks, using programming languages like **Java** and **Selenium**.
- ❖ Knowledgeable in **Agile methodology** and **JIRA**.
- ❖ Experienced in using **Cucumber** and implementing **BDD frameworks**.

WORK EXPERIENCE

QUALITY ANALYST • APPSQUADZ PVT LTD (DEC, 2020-NOV, 2021)

- ❖ Collaborated with the development team to understand software requirements and ensure software meets customer needs.
- ❖ Designed, executed and maintained manual test cases for **functional** and **non-functional testing**.
- ❖ Conducted **regression testing** to validate that changes made to the software did not impact existing functionality.
- ❖ Worked on applications like Made easy prime **desktop** and **mobile** application.
- ❖ Designed and implemented an automation test framework using **Java** and **Selenium**.
- ❖ Developed and executed automated test scripts using **Java** and **TestNG**.
- ❖ Integrated test automation scripts into the **CI/CD pipeline** using **Git** and **Jenkins**.
- ❖ Experienced in using **Cucumber** and implementing **BDD** frameworks to collaborate with cross-functional teams to ensure quality and drive successful software development projects.
- ❖ Utilized **JIRA** to track and report bugs and ensure their resolution in a timely manner.
- ❖ Familiar with **Agile stand-up meetings** to ensure on-time delivery of software releases.
- ❖ Worked on websites like www.madeeasyprime.com/ and www.madeeasy.in/.
