ORGANISATIONAL EXPERIENCE

Current Role: Full Stack Developer

OPTIMISTIX MEDIA | MAY 2024 - PRESENT

88ACADEMICS | OCT 2022 – JULY 2023

DIGITAL WEB IT SOLUTION | JULY 2022 - OCT 2022

ITECHVERSE SOLUTIONS INDIA | JULY 2021 - JULY 2022

PROJECT DETAILS

OPTIMISTIX MEDIA | MAY 2024 - PRESENT

1.DATAMATH | MAY 2024 – PRESENT

Description

Datamath is an affiliate marketing project like offer18.com and trackier.com. It totally depends on affiliate marketing, which it tracks each click on a tracking URL, including user information, system information, billing, and reports. In this project, I used Reactjs for UI design, Nestjs for backend Rest API design, and MongoDB as a database.

Tools & Technologies

ReactJs, NestJs, Node, MongoDB, Bull, Redis, Webpack, Typescript, Swagger, Jwt, Agenda, AWS EC2, Docker, Hostinger, Nginx Proxy Server, Let's Encrypt, Abstract Api.

2.8GURU Project | OCT 2022 – JULY 2023

Description

A web app used in the Online Education Domain. Especially it deals with Online Tuition for academic students. It uses many 3rd party

APIs at various steps in the Application.

3.88GURU ADMIN | OCT 2022 – JULY 2023

4.88GURU Student | OCT 2022 – JULY 2023

5.88GURU Web | OCT 2022 – JULY 2023

Role- Development, Testing.

Understanding project requirements, gathering and designing UI in React and Next.

Worked on developing various REST API endpoints.

Tools & Technologies

ReactJs, NextJs, NestJs, Node, MongoDB, Webpack, Typescript, Swagger, Jwt, Bull, Agenda

SKILL PROFILE

Used PHP/LARAVEL/WordPress and MERN STACK technologies to develop various applications.

Developed applications using Web API, Microservices, and MVC concepts with NEST JS and EXPRESS JS.

Used Reactjs, Nextjs, jQuery, Typescript, and CSS to develop front-end of applications.

Worked with databases like MYSQL and MongoDB.

Experienced with IDEs & Tools like Visual Studio, VS Code, Android Studio, Bit Bucket, and Git.

If you work with any other tools or technology that fits better in your current workflow, then I would be happy to learn it.

ACADEMIC BACKGROUND

DEEN DYAL UPADHYAY University Gorakhpur

B.A. (Computer Applications) | 2015 – 2018

TECHNICAL/SOFT SKILLS

Highly Adaptable to newly assigned tasks

Team Player and Quick Learner

Excellent Interpersonal and Communication Skills
