DIPLOMA IN COMPUTER SCIENCE WITH PERCENTAGE 75% — Jul 2022

BIC BEENAPARA — Azamgarh, UP
12TH UP BOARD WITH PERCENTAGE 60% — Jul 2019

BIC BEENAPARA — Azamgarh, UP
10TH UP BOARD WITH PERCENTAGE 64% — Jul 2017

WORK EXPERIENCE

Ducat Noida — Noida, UP
Mern Full Stack Developer — March 2023 - Present

- Developed and maintained full-stack web applications using the MERN stack, ensuring responsive design and optimal performance.
- Collaborated with cross-functional teams to gather and analyse user requirements, design, and develop scalable web solutions.
- Implemented RESTful APIs to connect front-end components with back-end services, ensuring seamless data flow and user interaction.
- Conducted code reviews, debugging, and testing to maintain high code quality and performance.
- Utilized Git for version control and collaborated with the team using GitHub for code management and project tracking.

PROJECTS

Weather App
Technologies Used: React.js, Node.js, Express.js, MongoDB, OpenWeatherMap API

- Designed and developed a weather application providing real-time weather updates and forecasts for various locations.
- Implemented API integration with OpenWeatherMap to fetch and display weather data dynamically.
- Ensured responsive design and cross-browser compatibility for an optimal user experience on both desktop and mobile devices.
- Deployed the application on Heroku, enabling users to access the app online.

E-Commerce Platform
Technologies Used: MongoDB, Express.js, React.js, Node.js (MERN), Stripe API

- Developed a full-featured e-commerce platform with user authentication, product listings, and a shopping cart.
- Integrated Stripe API for secure payment processing, ensuring smooth and reliable transactions.
- Implemented admin functionalities for product management, including adding, updating, and deleting products.
- Deployed the application on Heroku, providing users with a live, interactive shopping experience.

PRASNAL PROJECTS

Portfolio Website
Technologies Used: HTML, CSS, JavaScript, Netlify

- Created a personal portfolio website to showcase projects, skills, and experience.
- Developed a user-friendly interface with responsive design principles to ensure accessibility across different devices.
- Integrated contact forms and project galleries, allowing visitors to easily navigate and view detailed project information.
- Deployed the website on Netlify for fast and reliable hosting.
