## SUMMARY

Enthusiastic and dedicated Software Developer with a solid foundation in programming principles and a passion for solving complex problems. Recently graduated with a degree in B.Tech(Information Technology) seeking an opportunity to apply theoretical knowledge and hands-on skills in a professional software development environment.

## EXPERIENCE

### Frontend Developer Training

Technical coding Research Innovation ,

May 2022 – August 2022, Navi Mumbai

- Designed and developed user interfaces for multiple web-based applications with React.js, HTML, CSS, and JavaScript, resulting in an estimated 47% increase in user engagement on the platform.
- Developed web user interfaces using HTML, CSS, and JavaScript, leveraging frameworks, such as Angular and React, resulting in a 25% reduction in development time.
- Utilized Redux for state management to ensure efficient data transfer between components.

### Web Developer

The Sparks Foundation

May 2022 – June 2022

- Engaged in an immersive internship role as a Web Developer, contributing to the development of impactful web solutions while gaining hands-on experience in various aspects of web development.
- Collaborated on frontend projects using HTML, CSS, and JavaScript to create responsive and visually appealing web interfaces.

## PROJECTS

### Weather --App

React.Js • <https://github.com/mohitmodanwal918/Weather--App> • January 2024 –January 2024

- Leveraged React.js to create a modern, single-page Weather App, ensuring a smooth and efficient user interface.
- Designed and developed a user-friendly weather application with real-time data updates, implementing an intuitive user interface and integrating APIs to provide accurate weather information to users.

### College-Website

HTML,CSS,JAVASCRIPT • <https://mohitmodanwal918.github.io/College-Website/index.html#> • May 2022 – September 2022

- Developed a responsive college website using HTML, CSS, and JavaScript to improve user experience and accessibility, resulting in a 20% increase in website traffic.
- Designed and developed a responsive college website using HTML, CSS, and JavaScript, resulting in a 20% increase in website traffic and improved user engagement.
- Successfully redesigned the college website, improving user experience and increasing website traffic by 50% through the implementation of responsive design and search engine optimization strategies.

## EDUCATION

### B.TECH

Minor in INFORMATION TECHNOLOGY • DR.RAMMANOHAR LOHIA AVADH UNIVERSITY • AYODHYA • 2023 • 78%

### INTERMEDIATE

Minor in MATHEMATICS • ADARSH JANTA INTER COLLEGE • TANDA AMBEDKAR NAGAR • 2017 • 66%

### HIGH SCHOOL

Minor in SCIENCE • ADARSH JANTA INTER COLLEGE • TANDA AMBEDKAR NAGAR • 2015 • 76%

## SKILLS

- **Programming Languages:** HTML5, CSS3, JavaScript, Java Programing
- **Frameworks/Libraries:** React.js
- **Version Control:** Git, GitHub
- **Responsive Design**
- **Cross-Browser Development**
- **UI/UX Design Principles**
- **Debugging and Troubleshooting**
