□ Rohini Sec 2 New Delhi

## EDUCATION

Govt Girls Senior Secondary School (Sarita Vihar)

12 Class

📅 2017 - 2018

Bachelor's in Computer Application (BCA)

MDU University

📅 2018 - 2021

Masters in Computer Applications (MCA)

MDU University

📅 2024 - Present

## EXPERIENCE

Web Designer / Front-End Developer

Nibble Software Technology

📅 2023 - Present

- During my time at Nibble Software Technology in India, I thrived as a Web Designer, blending creativity with technical skill to craft visually appealing and functional websites for our clients. I collaborated closely with developers and project managers to bring these designs to life, ensuring seamless integration of design concepts into robust digital solutions. Highlights of my role included creating modern and user-friendly website designs, conducting user research to enhance user experience, and using HTML, CSS, and JavaScript and morden library to code responsive websites. I also enjoyed collaborating across teams on various website development projects, fostering effective teamwork and communication throughout.

## STRENGTHS

H

Logical and Problem-Solving Skills

F

Punctuality

P

Positive Attitude

—

Quick Learning Ability

## LANGUAGES

English
