

NEHA PAWAR

Mob no: +91-9868579301

Email: pawar.neha1992@gmail.com

Profile Summary

- Result-driven Software engineer with 4+ years of experience in developing Java/J2EE applications.
- I have hands-on experience in the development of web/enterprise applications using Microservices, Rest API, Spring boot, Spring batch, Spring Data JPA, Devops, Docker, MySQL and Oracle.
- I am eager to leverage my technical skills, collaborative nature and problem-solving abilities to a dynamic team and drive impactful results.

Work Experience

- **J P Morgan Services** – Mar 2023 – Jun 2023

Re-entry fellow

- Worked on Automated Data Regression project, a data regression setup in which users get an alert when threshold breaches, utilizing my skills in Spring boot, Spring batch processing, Spring Data JPA and Oracle.
- Create periodic batch jobs to extract data from data lake.
- Persist data into database using Spring Data JPA and generate alerts via dashboards.
- Collaborate with teams to have visibility in technical data quality control and release checks to avoid issues.

- **D S Technologies** – Aug 2016 – Jan 2021

Software Engineer

- Manage databases and write optimized SQL queries.
- Creating, maintaining, testing and debugging the entire backend of Java-based software and applications.
- Worked closely with front-end developers to integrate user-facing elements with server-side logic, resulting in a seamless user experience.

Key Projects:

- **Project Title: Esafe Hosting**
- **Role:** Back-end Developer
- **Description:** It is a complete web-hosting solution in which a user can get a domain name, build websites by choosing a wide range of themes and templates.
- **Project Title: W3 Softlab**
- **Role:** Back-end Developer
- **Description:** It delivers a range of software development solutions that includes e-business solutions and support various aspects of information technology.

Technical Skills

- **Language:** Java
- **Framework:** Spring, Hibernate
- **Database:** MySQL, Oracle
- **Operating System:** Windows 7 and above
- **Web Server:** Apache Tomcat
- **IDE:** Eclipse, IntelliJ Idea
- **Software/Tools:** Jenkins, Docker
- **Project Management:** Jira, Confluence, Agile
- **Public Cloud:** AWS, Microsoft Azure

Educational Qualification

- Master of Computer Application (MCA) from Indira Gandhi National Open University (IGNOU) with 63%.
- Bachelor's in Computer Application (BCA) from Guru Gobind Singh Indraprastha University with 80%.

Personal Details

- **Date of Birth:** 07/08/1992
- **Nationality:** Indian
- **Gender:** Female
- **Marital Status:** Unmarried
- **Place:** Delhi
