

Nitesh Chaurasia

8604746842 | nitesh2.chaurasia@gmail.com

Professional Summary

Proficient .NET Core Developer with extensive experience in C#, .NET CORE, and SQL Server. Strong background in back-end development, delivering high-quality applications on time. Skilled in Agile workflows and continuous integration.

Work Experience

Lead Software Engineer

Deloitte Tax

Sep 2021 – Current

- Integrating tax product 'Intela' with external system 'OS Income Tax' to improve functionality, streamline processes, and ensure seamless communication between systems.
- Leading a high-performance sub-team in a fast-paced software development environment, successfully delivering projects on time while ensuring code scalability and maintainability.
- Developing APIs in .NET Core for optimized data retrieval from external sources, resulting in significant improvements in system performance and reduced latency.
- Collaborating with diverse stakeholders to gather requirements, actively participating in technical discussions to create efficient and innovative solutions.
- Utilizing software engineering best practices such as source control, agile methodologies, and continuous improvement to enhance system performance and meet project objectives within scope, time constraints.

Senior System Engineer

Infosys

Jun 2018 -Aug 2021

- Worked on microservices architecture to support system scalability and flexibility.
- Developed APIs for front-end data delivery, enhancing user experience.
- Fixed bugs and threading issues to ensure system stability.
- Performed load and manual testing for front-end performance.
- Collaborated with stakeholders to gather requirements for development strategies.
- Improved system performance by optimizing code, reducing latency and increasing efficiency.

Skills

- C#
- .NET Core
- REST APIs
- Entity Framework
- SQL
- Microservices
- Xunit
- Specflow
- Apache Spark

Certifications

- Microsoft Azure Fundamentals (AZ-900)
- Microsoft Azure Data Fundamentals (DP-900)
- Microsoft Azure AI Fundamentals (AI-900)
- Microsoft Azure Data Engineering Associate (DP-203)
- Microsoft Power BI Data Analyst (PL-300)

Education

- B.Tech (Computer Science)
PSIT College of Engineering
2014-2018 (80.14%)
- Intermediate (U.P. Board)
NLK Inter College
2013 – 2014 (90.6%)
- High School (U.P. Board)
NLK Inter College
2011 – 2012 (88%)

Achievements

- Deloitte Best Professional Award
- Deloitte Applause Award
- Deloitte Spot Award
- Infy RISE Award
- Infy Achievers Award
