👤 PROFILE

A dedicated Computer Science student with a strong interest in web development. Skilled in HTML, CSS, JavaScript, and React, with experience building responsive websites. Looking for an internship to apply my skills and learn more in a professional environment.

🎓 EDUCATION

BSC Computer Science, Shivaji University, Kolhapur
2022 – 2025

📁 PROJECTS

LoginPage 🔗

- Login Page Project This project is a simple, responsive login page created using HTML, CSS, and JavaScript. The purpose of this project is to demonstrate a clean, modern design for user authentication. The login page features the following:
- CSS styling to ensure a visually appealing design, with hover and focus effects to enhance user experience.
- JavaScript for basic form validation, ensuring users enter their credentials before submission.

🧠 SKILLS

HTML, CSS, JavaScript,
React , Java,, SQL
