PROJECTS

Mandy Dance Academy

Instructed a diverse student body in various dance styles, catering to children aged 3 to 7 years old and 8 to 12 years old, for over 20 years. Developed and implemented tailored lesson plans to accommodate different skill levels and age groups, fostering a supportive and inclusive learning environment. Choreographed and directed performances, recitals, and showcases, showcasing students' talents and fostering teamwork and confidence.

Stove Vintage Furniture

The chairs and tables would feature classic designs that withstand changing trends, ensuring they remain relevant and stylish for years to come. This could involve clean lines, elegant shapes, and minimalistic aesthetics that appeal to a wide range of tastes. STØV might indeed utilize rare or high-quality materials in crafting their chairs and tables, such as sustainably sourced woods, premium metals, or unique textiles. These materials add to the perceived value and exclusivity of the products.

Moving of America

Moving of America likely handles local moves within New Jersey and the tri-state area. These projects involve transporting household or office items from one location to another within a relatively short distance. For clients relocating to another state or across the country, Moving of America provides long-distance moving services. These projects involve careful planning, coordination, and transportation over significant distances. Additionally, Moving of America may also assist clients with international relocation, helping them move their belongings to destinations overseas. This involves navigating customs regulations, logistics, and coordination with international partners.
