- Share your thoughts and expertise with a global audience by posting blogs quickly and conveniently.

Experience

Hyremax IT Consulting PVT LTD

November 2024 – March 2025

Software Developer Intern

Noida, India

- * Worked as a Frontend Developer during the internship, utilizing HTML, CSS, JavaScript, React.js, Tailwind CSS, and Material UI to develop and enhance CRM platform using React.js.
- * Designed and implemented key features such as a dashboard analytics, user management, role-based access control, contact list, and account management, leads, candidates, jobs, opportunities, and placement facilities.
- * Ensured adherence to best coding practices, implemented unit tests, and documented the application for future scalability.

Qspider

April 2024 – October 2024

Software Training

Delhi, India

- * I have completed a Java Full Stack course at Qspiders, where I learned Java, SQL, HTML, CSS, JavaScript, React, and Node.js.
- * As part of the training, I participated in mock interviews, worked on presentations, and focused on communication skills.
- * Throughout the course, I have gained valuable knowledge and skills.

Achievements

- * Got Distinction in most of my papers During my Graduation (BCA).
- * I have solved 200+ Coding Problems on various platforms like GeeksforGeeks, LeetCode, and HackerRank.
- * I got AIR 3107 in NIMCET 2022.

Certifications

- * Problem Solving Certification On HackerRank - 19 Sep 2023
- * AMCAT Software Engineer - IT Services Certification - 8 March 2024
- * AMCAT Software Development Trainee Certification - 8 March 2024
