ACHIEVEMENTS

LTIMindtree Ignite Program
Completed Ignite Internship
Program in .Net with a score of 84%

LANGUAGES

English
Professional working proficiency

Hindi
Native

Passionate engineering graduate, eager to apply my education and problem-solving skills to create meaningful change. Holding a degree in Computer Science and Engineering, I possess a strong grasp of engineering principles and a determined mindset to conquer new challenges

EDUCATION

Graphic Era Deemed to be University (July 22, 2019 - June 04, 2023)
B.Tech, computer Science and Engineering 8.7

Green Land Convent School (April 01, 2017 - March 31, 2018)
XII(CBSE) 89%

Green Land Convent School (April 01, 2015 - March 31, 2016)
X(CBSE) 10

PROJECTS

Analysis and Detection of Hate Speech in social media using deep learning (October 20, 2022 - May 09, 2023)
Detection of Hate Speech by proposing a hybrid deep learning model

- A BiLSTM-CNN model with an accuracy of 90.02 % was proposed
- The proposed model was compared with classical ML models like **SVM**, **Random Forest Classifier**

Home Loan Prediction (August 13, 2022 - November 15, 2022)
prediction of loan approval using machine learning models

- Used the **SVM** model for prediction on the basis of various input parameters
- Created a simple web application using **Streamlit**

VOLUNTEER EXPERIENCE

NSS-GEU (August 08, 2019 - August 31, 2021)
Volunteer
Volunteered in several Cleanliness Drives and Donation Camps

SPE-GEU (January 15, 2020 - February 15, 2020)
Volunteer
Member of the registration team for the event
