EXPERIENCE

React Js Developer - Internship

Codsoft | Nov 10, 2023 - Dec 10, 2023

During my internship, I served as a React.js developer, where I extensively utilized various technologies, including Firebase, React, Tailwind, and more. My responsibilities encompassed both frontend and backend tasks, with a focus on utilizing backend-as-a-service solutions such as Firebase. Additionally, I actively contributed to UI design and implementation.
