Summary

Innovative Java Developer with more than 1 year of experience specializing in full-stack development with Java, Spring Boot, Hibernate, and React. Proven track record in building scalable REST APIs, designing interactive user interfaces, and optimizing database performance. Adept at collaborative problem-solving and committed to delivering high-quality, efficient code.

Technical Skills

- Languages: Java, HTML, CSS , JavaScript
- Frameworks & Libraries: Spring Boot, Spring Framework, Hibernate, JPA, Swing, AWT, React
- Databases: MySQL
- Tools & Platforms: Git, GitHub, Maven
- Others: REST APIs, Spring Security, Spring MVC, JDBC
- Development Tools : Eclipse , Visual Code Studio (VS Code)

Work Experience

Java Developer, Ultraseedbox   Dec 2023 - Present

- Developed and maintained Java-based applications using Spring Boot and Hibernate.
- Designed and implemented RESTful APIs for seamless integration with front-end applications.
- Utilized JPA for database operations and ensured efficient data handling.
- Collaborated with front-end developers to create interactive user interfaces using HTML, CSS, and React.
- Worked with MySQL for database management, writing complex queries and optimizing performance.

Projects

Comprehensive REST API Development Project

- Created a full-fledged REST API using Spring Boot and Hibernate.
- Implemented various endpoints for CRUD operations and ensured proper validation and error handling.
- Integrated with MySQL database using JPA for data persistence.
- Developed unit tests to ensure the reliability and accuracy of the API.

Electricity Billing System

- Developed a desktop application using Java Swing and AWT.
- Designed the user interface for managing electricity bills, customer information, and payment details.
- Implemented backend logic for calculating bills based on usage and rates.
- Utilized MySQL for storing customer and billing data.

Education

Master's in Computer Applications   2024-2026
Indira Gandhi National Open University (IGNOU)
Bachelor's in Computer Applications   2020-2023
Guru Gobind Singh Indraprastha University (GGSIPU)
Higher Secondary Certificate   2018-2019
Secondary School Certificate   2016-2017
Vidya Devi Jindal School

Certification

- Master Spring Boot 3 & Spring Framework 6 with Java – Udemy
