SKILLS SUMMARY

Programming Languages: Java, C++, C, Python, SQL
Web Technologies: HTML, CSS, JavaScript, React.js, Redux
Backend: Node.js, Express.js, JDBC
Frameworks: Tailwind CSS, Bootstrap
Databases: MySQL, MongoDB
Tools: Git, GitHub, VS Code, Postman, MongoDB Compass
Concepts: OOPS, DBMS, Computer Networks, DSA
Soft Skills: Teamwork, Time Management, Communication, Problem Solving.

EDUCATION

Dev Bhoomi Uttarakhand University　　　　　　　　　　　　　　　　　　　Dehradun, India
Bachelor of Technology (B.Tech) in Computer Science and Engineering; GPA: 9.0　　Expected Graduation: June 2025
Government Polytechnic　　　　　　　　　　　　　　　　　　　　　　　Gaya, Bihar
Diploma in Computer Science and Engineering; GPA: 9.15　　　　　　　　　　　　2019-2022

PROJECTS

Country Data Fetching Application (React, CSS)　　　　　　　　　　　　　March 2025
LINK

- Developed a country data fetching application using React to display information about countries, including population, area, and languages.
- Integrated RESTful APIs to fetch and display real-time data for over 250 countries.
- Designed a clean and user-friendly interface using CSS to present the data in an organized format.

Blog Application (MERN Stack, Tailwind CSS)　　　　　　　　　　　　　December 2024
LINK

- Developed a full-stack blog application using MongoDB, Express, React, and Node.js.
- Implemented user authentication, CRUD operations for posts, and a rich text editor.
- Designed a responsive UI with Tailwind CSS, ensuring a seamless reading and writing experience.

Voice Assistant (JavaScript, Web Speech API)　　　　　　　　　　　　　October 2024
LINK

- Built a browser-based voice assistant using JavaScript and the Web Speech API.
- Enabled speech recognition and text-to-speech functionalities for user interactions.
- Integrated basic commands like weather updates, time tracking, and web search.

Portfolio Project (React, Tailwind CSS)　　　　　　　　　　　　　　　October 2024
LINK

- Built a personal portfolio showcasing projects and skills using React and Tailwind CSS.
- Integrated features like social media icons and animations to enhance the user experience.
- Designed a fully responsive website optimized for mobile and desktop views.

Training and Internships

Java Developer Trainee　　　　　　　　　　　　　　　　September 2024 - October 2024
ICT Academy — LINK

- Gained hands-on experience in Java programming, focusing on object-oriented programming principles with JDBC connectivity, Spring, Maven, Spring Boot, and Hibernate.
- Developed multiple Java-based applications, including a basic banking system and a file management system.

React Developer Intern　　　　　　　　　　　　　　　　　　May 2024 – July 2024
Slash Mark — LINK

- Developed and maintained responsive web applications using React.js.
- Integrated RESTful APIs and managed state using Redux, increasing application efficiency.

CERTIFICATES

AWS Cloud Practitioner Certification (QAcademy)　　　　　　　　　　　　　Ongoing
Full Stack Development Certification (Skill Academy)　　　　　　March 2024 - January 2025
