WORK EXPERIENCE

Frontend Developer, Ultimiz Technology Pvt. Ltd. 

Dec, 2024 – Present | Remote, India

- Leveraged **React.js** to develop scalable web apps and used **Ionic React with Capacitor** to build cross-platform mobile apps, delivering a seamless and consistent user experience across devices.
- Implemented performance optimizations such as **code splitting, caching strategies, and lazy loading, etc**, resulting in **30% faster page load speed** and **40% reduction in un-necessary re-renders & UI lag**.

Full Stack Developer, Apringer LLP 

Dec, 2023 – Nov, 2024 | Remote, India

- Led** a high-performing **front-end team** in building scalable web apps with **React.js**, driving **20% faster sprints** through close collaboration with cross-functional teams.
- Implemented coding best practices and performance optimizations, achieving a **35% improvement in page load speed** and increasing user engagement across platforms.

Full Stack Developer, Mag Cloud Solutions 

Jun, 2023 – Dec, 2023 | Agra, India

- Developed scalable **web applications** using the **MERN** stack, delivering efficient full-stack solutions.
- Built cross-platform mobile applications using **Flutter** and successfully publishing them to the **Play Store**.

Technical Trainer (Freelance), CloudKampus 

Dec, 2022 – Nov, 2024 | Remote, India

- Conducted in-depth training on front-end and back-end development using **React.js, Node.js, Express.js, Angular and MongoDB, etc**, preparing students for full-stack developer roles and guiding them through real-world coding challenges.
- Covered foundational technologies like **HTML, CSS, and JavaScript**, along with topics such as **RESTful API design** etc.

Technical Trainer, Madrid Software 

Jun, 2022 – Dec, 2022 | Delhi, India

- Led** technical training sessions for **web development** students, mentoring individuals in **JavaScript, React.js, Node.js, Express.js** and **MongoDB, etc**.
- Created custom learning paths and exercises, contributing to individual's **higher topic understandings**.
