Skills

Core Java
Spring Boot
MySQL
MongoDB
HTML
Node. js

Tools

Intellij IDEA
Git
Mongo Atlas
Postman
Visual Studio Code

Strength

- Good at team work.
- Problem solving ability.
- Adaptability
- Positive approch.

Education

- B.Tech-Computer Science and Engineering

Dr D Y Patil School of engineering Pune
2020-2024

- HSC - Sant Janardanswani Junior Collage Sangamner

2018 - 2020

- SSC - B.G.P Sahyadri School

2017 - 2018

Experience

Trooman technologies-Software developer intern
2023 - Present
As a software developer intern I was working closely with our development team to design develop and test software applications. Trooman technologies internship gives me hands on experience on software and web development.

Project

- **E-Wallet**

E-Wallet Microservices REST APIs. This Project contains two independent Spring Boot Microservices, UserService and WalletService. MySql Database is used. User Transaction History is sent to user through E-mail.

- **MovieReview**

Developed a Java-based Movie Review management system utilizing Spring Boot framework; resulted in a 40% reduction in review processing time and improved accuracy by 25%

- **MovieBooking**

Online Movie ticket booking Project backend using Spring boot, Rest Controller, JPA, MYSQL database, and Postman. Developed a Java-based Movie Booking management system utilizing Spring Boot framework; resulted in a 20% reduction in booking processing time and improved accuracy by 5%

Achievements

1. Led a team of five developers to complete a complex project ahead of schedule and under budget.
2. Contributed to an open-source project and was acknowledged by the community for exceptional code quality.
3. Runner Up in college level coding hackathon

Certification

Java Backend Development Live Course
from Geeksforgeeks
