### About Me

As a Senior Frontend Developer with 3.6 years of experience, including 6 months in React.js, I specialize in WordPress, HTML, CSS, Bootstrap, Figma, JavaScript, and jQuery. My focus on high-quality solutions and adaptability to dynamic projects ensures successful outcomes.

### Professional Experience

#### Access Assist / Access Development Services

*Front End Developer Aug2023 – Present*

Sr. Frontend Developer specializing in Access Assist and Access Development Services on a contract basis. As a seasoned professional, my goal is to thrive in the fast-paced, competitive landscape of technology. I aim to achieve success by consistently delivering high performance, which I believe will lead to the acquisition of new and challenging responsibilities. My aspiration is to contribute my expertise to a reputable and growth-oriented industry, focusing on design, development, and maintenance.

#### Reliquis Consultancy

*Front End Developer Feb2022 – Aug2023*

At reliquis, I initially served as a Front End Developer, harnessing my skills to craft compelling digital experiences. Over time, I took on the role of leading a small but dynamic team of designers, contributing to the growth and success of our projects.

#### Funnel Pandit

*WEB DESIGNER Aug2020 – Feb 2022*

I was a junior web designer there and learnt professional skills and soft skills at the organization.
