## PROFESSIONAL SUMMARY

Experienced Front End Developer, HTML Web Developer, UI/UX HTML Designer, with a proven track record of delivering exceptional Front End solutions. Over the past 4 years, I have honed my expertise in HTML5, CSS3, Tailwind CSS, SCSS and Bootstrap to create visually stunning, user-friendly, and responsive websites. My passion for crafting seamless user experiences drives me to stay current with industry trends and best practices. I am dedicated to collaborating with cross-functional teams to translate client requirements into elegant, functional, and high-performance web applications. My commitment to delivering pixel-perfect design and optimizing user interactions has contributed to the success of numerous projects. Extracting the layout & CSS for designing sites from PSD, Zeplin, & Figma to HTML.
