Experience

Liv Excellence

Feb 2024 – Mar 2025

React.js Developer

Bangalore

- Built and maintained scalable and responsive UIs using React.js and Tailwind CSS.
- Optimized performance across devices and browsers by using memoization and dynamic imports.
- Implemented reusable components and hooks to reduce code redundancy and improve maintainability.

Projects

Gofamy.com – Social Media Service Platform

Next.js, Tailwind CSS, Node.js, MongoDB

- Built a full-stack platform for ordering social media services with real-time status tracking and admin dashboard.
- Integrated Paypal for payments, order history, user auth, and notifications.
- Handled 500+ test orders during MVP launch, optimized backend performance for scalability.

SearchMySpace – Real Estate Platform

Next.js, Tailwind CSS, Node.js, MongoDB

- Developed dynamic property listings with search, filter, and user login/registration.
- Built an admin dashboard for managing listings and leads with role-based access.
- Ensured full mobile responsiveness and cross-browser compatibility.

CRM – Customer Management System

MERN Stack

- Implemented employee records, lead tracking, task assignments, and file uploads.
- Added real-time notifications for deadlines and reminders.
- Improved productivity tracking with audit trails and permission-based access.

Education

Bachelor of Science in Mathematics

Aug 2020 – July 2023

H.P.S. College, Madhubani, Bihar

Patna University

Full Stack Web Development (MERN)

Masai School

Bangalore
