TARUN RATHORE |React Js Developer

+91 70113-62098

tarun13rathore@gmail.com

Over the past 2 years, I have cultivated proficiency in React JS and Redux, key pillars of modern front-end development. My skill set encompasses HTML5, CSS3, and contemporary JavaScript, allowing me to craft responsive and user-friendly web applications.

WORK EXPERIENCE

Sotware Developer | InnovationM   Jan 2022 to Sept 2023

- Create reusable React components that make up the user interface Utilized React JS, Redux, HTML, and CSS for design and functionality.
- Manage and update the state of components using React state or state management libraries like Redux and Monitoring and improving front-end performance.
- Communicate with back-end APIs to fetch and update data displayed in the UI and service to consume REST APIs using component-based architecture.

Frontend Developer | Assert IT Solutions   Jun 2021 to Nov 2021

- Fixed the UI bugs and functionality bugs.
- web application development in the React JS environment
- front-end coding and deployment in a JavaScript environment
- Maintaining front-end performance and troubleshooting and debugging.
- Developing and implementing front-end architecture to support user interface concepts.

TECHNICAL SKILLS

- JavaScript | ES6,
- React js | Redux,
- reduxToolKit | reactQuery,

- HTML | HTML5
- CSS | CSS3 | SCSS,
- Bootstrap | Material UI,

- GIT | Version Control
- VS Code,
- RESTful API integration

EDUCATION

- Bachelor's of Computer Application | CCSU | 2013 - 2016
- Master's of Computer Application | CCSU | 2016 - 2018

PROJECT'S

1. EdTech
Ed-Tech platform offers services or resources to help individuals make informed decisions about their careers. Ed-Tech provides career guidance and empowers learners along a comprehensive career journey built on ReactJS, Material UI and REDUX Toolkit.

2. IMPortal (Working on These Modules)
Applicant Tracking System:- ATS is an Applicant Tracking System that helps us to track each and every progress Of the candidates once his/her resume gets screen shortlisted by our respective TAExpert from interview till joining us.
