**CAREER OBJECTIVE**-As a highly motivated and detail-oriented recent graduate in Information Technology, I am eager to apply my foundational knowledge and hands-on experience in software development to contribute to innovative projects. With a solid understanding of frontend technologies, backend development principles, and MERN stack applications, I am committed to leveraging my skills in JavaScript, React, Node.js, and MongoDB to deliver robust and scalable software solutions. My goal is to join a dynamic team where I can further develop my technical expertise, collaborate effectively, and drive the success of impactful software projects.

## WORK EXPERIENCE

### **MERN FULL STACK Developer intern at Hanumant Technology Pvt. Ltd. (February 2024 - July 2024)**
