## EDUCATION

---

### Bachelor of Technology (Computer Science and Engineering)

Institute of engineering and rural technology, Prayagraj  
SGPA 7.8

2020 - 2024

### Intermediate

Radha Madhav public school, Bareilly  
89 percent

2018-2019

## PROJECTS

---

### Expenses Handler [Link](#)

- Developed a single-page web application using React for tracking and managing expenses. Users can add expenses with descriptions, amounts, and dates. The app features a dynamic graph that updates in real-time to show total monthly expenses, providing a clear visual representation of spending trends. Additionally, users can filter expenses by year, making it easy to view and analyze historical data.
- Technologies used: **React, JSX, CSS, React Hooks (useState, useEffect)**.

### Food ordering app [Link](#)

- Developed a full-featured **responsive** food ordering application using the MERN stack (**MongoDB, Express.js, React, Node.js**) with the following key features:
- User Authentication Profile Management: Implemented secure user sign-up, login, and profile management using JWT.
- Menu Display Management: Enabled users to browse, search, and filter menu items. Admins can add, update, or delete items.
- Shopping Cart Checkout: Integrated a shopping cart where users can add, remove, and modify items. Implemented a secure checkout process with payment gateway integration.
- Order Management: Built a system for users to view order history and track current orders. Admins can manage orders and update their status in real-time.

## SKILLS

---

|                   |                                               |
|-------------------|-----------------------------------------------|
| Languages         | C++, Javascript, Python, SQL, HTML, CSS, JSX  |
| Library/Framework | Bootstrap, React.Js, Express.js               |
| Tools             | Github, Vs code, Tensorflow, MongoDB, Node.js |
| Soft Skills       | Leadership, Public speaking, Management       |

## ACHIEVEMENT

---

- Globally Ranked **6688** in Code Jam **2022**
- Highest Global rank in Kickstart **2022** is **5298**
- Solved **300+** questions on Leetcode and other coding platforms
- Shortlisted for the offline Hackathon Hackcbs 5.0

## EXTRA-CURRICULAR ACTIVITIES

---

- Member of IERT Gdsc where i was responsible to handle design posters as well as handling student's learning doubts of web development.
- Anchored the complete show of Aikyam(fest of our college).
- Semifinalist in the Zonals of women volleyball match organized by AKTU
