

# Vishal Goyal

MERN Developer

## 👤 Profile

Experienced MERN developer with 4+ years of experience, specializing in PrestaShop, WooCommerce, OpenCart, WordPress and E-commerce Platforms. Proven track record in driving business growth and enhancing user experience through customized online stores. Proficient in PHP, React JS, Node JS, Redux, Express, Mongo, Next JS, HTML, CSS, JavaScript, and jQuery. Deep understanding of e-commerce principles and best practices. Skilled in optimizing performance and security through innovative solutions and efficient memory management.

## 🏢 Employment History

### Software Developer at Velocity Software Solutions, Noida

June 2019 — July 2023

- Designed and oversaw a doctor appointment portal using React, Node, Mongo, Express JS, empowering patients to effortlessly verify doctor availability and make online appointments, while seamlessly orchestrating the application's state using Redux for optimal performance and user experience.
- Collaborated on the development of 4-5 e-commerce websites using React, Node, Express, Next JS, and MySQL, creating interactive and real-time user experiences. Implemented a secure authentication process, enabling seamless order handling with a strong focus on complex business logic and algorithms, all aimed at enhancing the overall experience for users. Leveraged Redux for seamless data flow and state management.
- I specialize in creating custom plugins, offering plugin services, and handling theme customization and core functionality changes for E-commerce platforms like PrestaShop, WordPress, OpenCart, and Woo Commerce, enhancing platform performance to meet specific client needs.
- Created robust APIs, ensuring a secure and reliable integration for various platforms.
- Led brainstorming sessions, contributing innovative solutions to address complex technical challenges and improve platform performance.
- Spearheaded the integration of payment gateways and third-party APIs, enhancing platform functionality and user experience.

## 🎓 Education

### B.TECH (CSE), ITS Engineering College, Greater Noida

July 2014 — June 2018
