Kalyankari Inter College

Apr 2019 - Jun 2020

Percentage: 62.20%

## Technical Skills

- Frontend: React.js, HTML, CSS, JavaScript
- Backend: Node.js, Express.js, Java, C, C++
- Databases: MongoDB, MySQL, SQL
- Tools & Technologies: Git, RESTful APIs, Java AWT, Swing
- Development Methodologies: Agile, SCRUM

## Projects

**DEEPECOM - E-commerce Website** May 2024 - Jul 2024 Developed a fully functional e-commerce website using the MERN stack. Implemented user authentication, product management, shopping cart, and payment integration features. Designed a responsive interface to ensure optimal performance across devices.

## **Nirwal Healthcare - Hospital Management System**

Jan 2024 - Mar 2024

Created a comprehensive Hospital Management System using Java AWT and Swing. Features include patient registration, appointment scheduling, staff management, and billing automation. Focused on building a user-friendly interface and secure login for different user roles.

## **SVS Online Library**

May 2023 - Jul 2023

Built an interactive front-end project for an online library using HTML, CSS, and JavaScript. Implemented search functionality and responsive design for improved user experience.

## **12 SHIYA - Game Development Project**

Feb 2022 - Mar 2022

Designed and developed an interactive game using C language. Focused on enhancing user experience through engaging gameplay and intuitive controls.

## **Certifications**

- MERN Stack Development | Shri Ram College, Muzaffarnagar | Jul 2024 -  
Java Programming | Shri Ram College, Muzaffarnagar | Mar 2024

## **Achievements and Extracurricular Activities**

- National Cadet Corps (NCC): Completed basic military training with NCC, developing leadership and teamwork skills.
- Academic Projects: Consistently achieved high grades in project-based coursework throughout the BCA program.

## **Personal Projects**

- GitHub Portfolio: Developed and maintained a portfolio website showcasing various projects, including the SVS Online Library, DEEPECOM, and Nirwal Healthcare. GitHub Portfolio: <https://github.com/dashboard>

## **Additional Skills**

- Strong problem-solving abilities and a quick learner with a passion for continuous improvement.
- Excellent teamwork and communication skills, demonstrated through successful academic collaborations.
