Pratik

Full Stack Developer

Profile

I'm a MERN stack developer, specializing in creating dynamic, high-performance web applications using MongoDB, Express.js, React, and Node.js. With a strong foundation in both front-end and back-end development, I bring a comprehensive approach to building scalable and efficient solutions.

Work Experience

- July 2022 - Feb 2023
Outshade , Telangana , Hyderabad
Mern Stack Developer
My role involves working extensively on the admin panel and managing the database. I focus on developing and maintaining robust, user-friendly admin interfaces and ensuring the integrity and efficiency of our database systems.
- July 2023 - Oct 2023
Atiuttam.Tech , Delhi
Mern Stack Developer
My role involves working extensively on the frontend , backend and managing the database. I focus on developing and maintaining robust, user-friendly interfaces and ensuring the integrity and efficiency of our database systems. And i am leading my team also.
