## Education

**Giani Zail Singh Campus College of Engineering and Technology**  Sep. 2020 – Aug 2024
*Bachelor of Science in Computer Science*  *Bathinda, Punjab*

**Senior Secondary School(CBSE)**  March 2017 – April 2019
*Delhi Public School Jubilee*  *Motihari, Bihar*

**Secondary School(CBSE)**  2016 – 2017
*Jawahar Navodaya Vidyalaya*  *Muzaffarpur, Bihar*

## Experience

**Technosapphire research pvt**  Jan 2024 – Aug 2024
*Frontend developer*  *Noida, Delhi*

- Developed and optimized user interfaces using React, resulting in a 20% improvement in page load times and significantly enhancing user engagement metrics..
- Enhanced application performance by optimizing rendering logic, reducing memory usage and improving load times by 25%.
- Integrated RESTful APIs with front-end components, ensuring real-time data synchronization and improving overall application functionality.
- Explored and implemented methods to visualize and distribute daily test result reports to team members using HTML, JavaScript, and CSS.

**Infowiz Software Solution**  Aug 2023 – Nov 2023
*Front End Developer Intern*  *Bathinda, Punjab*

- Crafting Responsive Interfaces: Designed and implemented highly responsive user interfaces using React, delivering a seamless and engaging user experience across client applications..
- Enhancing Component Efficiency: Developed modular, reusable components, streamlining the development process and reducing feature implementation time by 20%.
- Optimizing Performance: Leveraged best practices and advanced optimization techniques to enhance application performance, ensuring faster load times and smoother functionality.
- Innovative Problem-Solving: Resolved complex frontend issues, such as asynchronous rendering challenges, through innovative solutions and best practices.

## Projects

**Recipe Finder Application**  Link

- Developed a web application to search and filter recipes based on ingredients, cuisine, and dietary preferences.
- Built a responsive and engaging user interface using React.js, enhancing accessibility across desktop and mobile platforms.
- Developed real-time search and filtering features to enhance user experience.

**Travel Website**  Link

- Designed and developed a feature-rich travel website for booking trips, exploring destinations, and managing itineraries.

## Technical Skills

**Languages**: HTML,CSS, JavaScript, React js
**Developer Tools**: VS Code, AWS Cloud Platform,
**Technologies/Frameworks**: Linux, Jenkins, GitHub, Docker, CI/CD, Terraform, Ansible

## Leadership / Extracurricular Activities

**Fraternity**  July 2022
*President*  *GZSCCET, Bathinda*

* Technical Head, TARANNUM.
* Event Coordinator, Techno-Cultural Fest.
* Led a chapter of 30+ members, driving initiatives that fostered community service, academic growth, and unity.
