SUMMARY

Skilled Software Engineer adept at efficient solution development and collaborative teamwork, driven by a passion for innovation and business success through problem-solving and coding excellence.

EDUCATION

Uttarakhand Technical University, Dehradun   AUG 2022
Bachelor of Technology, Computer Science, 78%

SKILLS

- **Technology Stack**: | Core java | Spring Boot | SQL | Docker | Git |
- **Additional Technologies**: | Hibernate| RESTful API Development| Microservices | Junit |
- **Other Skills:** | Agile Methodology | Azure DevOps | CI/CD | HTML | CSS |
- **LANGUAGES**: | English | Hindi |

WORK EXPERIENCE

ASSOCIATE SOFTWARE ENGINEER
NS Plus Technology, Bangalore, Karnataka   FEB 2023 – PRESENT

- Designed and implemented a high-speed cache system in Java Spring Boot, concentrating on optimizing backend operations. Integrated seamlessly with a RESTful API to facilitate real-time data retrieval. Leveraged Docker for efficient deployment, significantly improving system performance, scalability, and overall responsiveness.
- Engaged as a web developer, adeptly crafting static websites with a focus on HTML, CSS, and JavaScript. Ensured seamless user experiences through intuitive interfaces and cross-browser compatibility, ensuring optimal website performance.
- Proficiently developing Java-based backend REST APIs, showcasing expertise as an independent Java Developer with a focus on enhancing system functionalities.

PROJECT EXPERIENCE

OIP Data Visualization: JULY 2023 – AUG 2023
- Worked as java developer to develop the rest APIs with Spring boot and implemented cache mechanism for better performance.
- Collaborated with testing team to check the performance of the application and live data.

Assito: FEB 2023 - PRESENT
- Working as full-time java developer to develop multitenancy application using microservices architecture.
- Utilized Spring Boot framework to rapidly develop and deploy microservices, enhancing development.
- Leveraged Docker for containerization and orchestration of microservices, ensuring scalability.

ACHIEVEMENTS

- In Intermediate I got scholarship from Uttarakhand board for further studies.
- Received the Rising Star Award from my current organization for exemplary efforts in enhancing IT professionalism.
