</> Vishwanth Academy,
Lucknow </> CGPA - 8.8
</> May, 2013 - Apr, 2014

<PROJECT>

{Job Post Manager App(React js)}

</> The key idea of the prooject is to make a single page application where one can fill up the form for every job posted and see the submitted application rendered as a list. There is one section in the page where one can see the live preview of the type in text in the form.

<SKILL SET>
